

MongoDB - Compass connection string

Categories: Procedures · Topics: Databases, MongoDB, Compass, CommsNet ·
Context: CommsNet · Exported: 2026-04-18 01:35

Insert this as connection string:

```
mongodb://root:tdyK2sHGq3l3jfQVukAn@comms-p-db-01.global.un.org:27017,comms-p-db-02.global.un.org:27017
```

Connect to MongoSH as admin:

```
mongosh -u root -p --authenticationDatabase admin  
tdyK2sHGq3l3jfQVukAn
```
